BC's CAREFUL Restart Program

BC's Careful Restart program begins phase 2 after the long weekend. The government asks us to please stay close to home this weekend, and continue with our physical distancing and good hygiene practices.

- Wash your hands
- Keep your distance
- Stay home if you are sick

Info Bulletin

Update for CLBC Service Providers

Yesterday, we shared the CLBC Update on Recovery Planning for individuals and families. There was also an update for service providers.

[You can read it here:](#)

COVID-19 Survey for BC Centre for Disease Control

BC COVID-19 SPEAK: Your story, our future is a population health survey to elicit citizen experience, knowledge and actions during the COVID-19 pandemic. This survey is the first of several activities that will strengthen our pandemic response and our understanding of the impacts of COVID-19 to date (social, economic, mental wellness and community wellness). <http://www.bccdc.ca/health-info/diseases-conditions/covid-19/covid-19-survey>

The survey takes about 15 minutes to complete online. If you can't do the survey on the website, you can complete the survey by phone at 1-833-707-1900, seven days a week between 8:30 a.m. – 4:30 p.m. Language interpreting services are also available for assistance with completing the survey over the phone.

Help the people in your life to participate

If you know someone who may have difficulty accessing or using a computer, open the survey via the link above, give them a call, and go through all the questions, inputting their answers into the online survey on their behalf. We need your help to prepare for B.C.'s future, and **every voice counts**.

If you would like assistance to complete the survey, let me know.

CLBC Webinar on Sensory Strategies

Dear CLBC service providers and home sharing providers –

The CLBC Provincial Assessment Centre (PAC) is pleased to offer a free webinar outlining how to incorporate sensory strategies for adults with developmental differences in your home share or group home.

When: Tuesday, May 19

Time: 1:30 – 2:30 p.m.

Location: By Skype Meeting

Space is limited. Register Now:

<https://www.eventbrite.com/e/sensory-strategies-at-home-for-individuals-with-developmental-disabilities-practical-applications-tickets-104688809046>

The Occupational Therapist at the Provincial Assessment Centre will provide an

overview of strategies you can incorporate in your home for individuals with sensory processing differences. You can expect 40-45 minutes of a webinar presentation with 10 minutes for questions and answers.

We look forward to having you join us!

Sincerely,

The CLBC Provincial Assessment Centre
