

24. First Aid

- (a) All employees, volunteers and sub-contractors providing direct service must have current first aid/CPR certification. Instructions for completing and renewing first aid are outlined in Personnel Policy #4 – Requirements for Employment.
- (b) Each home and program location will be equipped with a First aid kit (standard Level 1 WorkSafe first aid kit or equivalent) that will be kept in a designated, easily accessible area. All personnel will be informed of the location of these kits.
- (c) Society-owned vehicles will be equipped with first aid kits.
